

Guide for sending patient medical photographic images to North West Anglia NHS Foundation Trust

North West Anglia
NHS Foundation Trust

Please send images to:

peh-tr.pchmedicalphotography@nhs.net

Please include **ONLY** the patient **NAME**, **NHS number** or **Hospital DIS number** and the patient **date of birth**.

Please **DO NOT** include any other personal information or medical history.

If we encounter problems with the images we will contact you.

This email address is solely for the purpose of uploading patient images to the patient's electronic record. Any queries directed to this email address cannot be responded to or forwarded.

For any queries please call the relevant hospital department on
01733 678000 Peterborough
01480 416416 Hinchingsbrooke
01780 764151 Stamford
or visit:

<https://www.nwangliaft.nhs.uk/patients-and-visitors/patient-information/outpatients/cancelling-changing-your-appointment/>

for contact information

For the best quality images please follow these guidelines

Use a plain background.

Avoid direct sunlight.

Take a general view and a close up.

Use a coin or ruler to indicate size of any lesions.

Check images are in focus.

Please see examples below.
