## CONNECTLINE STREAMER PRO

HINCHINGBROOKE AUDIOLOGY  
**PATIENT INFORMATION LEAFLET**

**UNWANTED ITEMS**

Unfortunately we are unable to refund any unwanted items as it affects the items' warranty. Therefore, before purchasing a new device, please be very sure the equipment meets your specific requirements.

Please note: This streamer is only compatible with Oticon hearing aids. Whilst we will do our best to ensure that you remain fitted with hearing aids that are compatible with your streamer, we cannot guarantee this as occasionally we may need to change or upgrade your hearing aids to a non-compatible model.

If you have any questions, please do not hesitate to contact Hinchinbroke Audio-ogy for more details.

FOR MORE INFORMATION ON THE CONNECTLINE STREAMER PRO VISIT:  
[www.oticon.com/products/wireless-accessories/connectline/streamer-pro.aspx](http://www.oticon.com/products/wireless-accessories/connectline/streamer-pro.aspx)

**ABOUT CONNECTLINE**

ConnectLine Streamer puts you in total control of program shifts, hearing aid volume and all sources of audio-based information, entertainment and communication.

By picking up the audio signal and sending it straight into both ears, the Streamer turns a pair of hearing aids into a small wireless headset.

With Built-in Bluetooth wireless technology, the Streamer offers easy access to:

- \* Music and Audio
- \* Computer Communication
- \* Mobile Phones
- \* Car Hands Free
- \* Teleloop
- \* TV
- \* Landline Phones
- \* Office Phones
- \* Remote Microphone

**RETURNS**

We hope your new streamer reaches you in perfect condition.

However if any of our items become damaged or faulty, please return them to the Audiology Department so we can arrange any repairs directly with the manufacturer.

All Streamers and accessories come with a 1 year guarantee. However, this does not include accidental damage or misuse. Therefore, there will be a charge of £42.00 per repair. This is to be paid for by the purchaser.
